

WHAT IS CLAIMED IS:

1. An isolated nucleic acid expression vector comprising a nucleotide sequence that:

- (a) encodes the amino acid sequence shown in SEQ ID NO:4; and
- (b) hybridizes under stringent conditions to the nucleotide sequence of SEQ ID NO:3 or the complement thereof.

2. An isolated nucleic acid expression vector having the property of being capable of expressing the amino acid sequence shown in SEQ ID NO:4.

3. An isolated nucleic acid expression vector having the property of being capable of expressing the amino acid sequence shown in SEQ ID NO:2.

4. An isolated nucleic acid expression vector having the property of being capable of expressing the amino acid sequence shown in SEQ ID NO:6.
